Building Hearts for Jesus

Immanuel Grace Lutheran School has been helping kids and families grow in faith since 1864. Our mission is simple: teach kids about God's love and help them live faithful lives. As Proverbs 22:6 says, "Start children off on the way they should go, and even when they are old they will not turn from it."

This school was founded on the belief that Christian education is essential. Many lives have been touched by the message of Jesus' love. Join us in continuing this mission for future generations.

In 2023, we built a new school to expand faith-based education. The project cost \$3,015,000, and we've already raised \$1,360,000!

Now, we're raising \$700,000 over the next three years to reduce debt and strengthen our budget, so that we can position our school for future growth and expansion while maintaining a high quality of Christian education.

Your support will help us lower debt and prepare for future growth. Together, we can help more children learn about Jesus.

Here's how you can help:

1. Reflect on Your Blessings – Pray, list your blessings, and seek God's guidance in giving.
2. Decide on the Amount – Trust Jesus in determining a faith-based gift to support the school's ministry.
3. Use the Promise Sheet – Write down your commitment and submit it on Celebration Sunday (March 2) or earlier through the church or school office.

Every gift helps us share God's love and grow our mission.
