## Building Hearts for Jesus

### Strengthening Faith and Education

Immanuel and Grace are working together to build faith through God's Word. With support from our partner churches and generous donors, we are reaching people's hearts and souls in meaningful ways.

We are blessed with:

- Active church ministries that strengthen faith and worship.
- A thriving school ministry that teaches children the Bible's truths.
- Outreach efforts that share Jesus' love with the community.
- A strong partnership supporting a PreK to 8th-grade school system.

Our church families are committed to strengthening our educational mission. We ask for God's guidance and blessings as we move forward.

We invite you to join us in this mission. Your prayers and support will help us continue touching lives and building hearts for Jesus.

### Blessing Update:

Thanks to the generosity of several families in our congregation, our fundraising effort is off to a strong start! These devoted believers have already committed \$394,000 toward our goal.

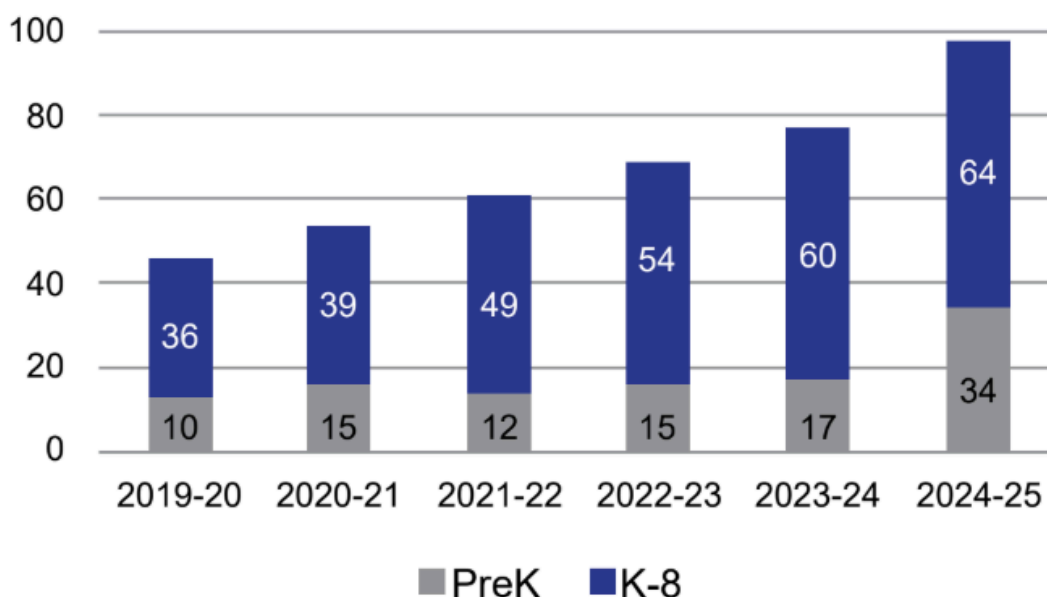

# Building Faith, Growing Futures

Our first fundraising campaign, Building Faith Foundations, was dedicated to constructing our new school building as we had outgrown our previous space. Thanks to the generosity and support of our community, we now have a beautiful new facility that allows us to continue growing and expanding our ministry.

Since opening our doors in the 2023-24 school year, we have already experienced significant growth. One of the most exciting developments has been the expansion of our preschool program, which has grown to include two full classrooms!

With this strong foundation in place, we look forward to welcoming even more students and families into our school community. Thank you for being part of this incredible journey of faith, learning, and growth!
