

# Immanuel Grace Lutheran School

February 24, 2024

## Building Hearts for Jesus

Celebration Sunday – March 2, 2025

Thank you to everyone who attended a Group Presentation! We will continue distributing packets and praying that you consider a gift and return your promise sheet by March 2nd.

As we've shared details about Building Hearts for Jesus funding campaign, we encourage you to take time in prayer, seeking God's guidance on how you can support His kingdom. Trust in His direction, be patient in the process, and know that blessings follow faithful discernment.

With the Lord's guidance, we believe great things are ahead.  
Please keep praying for wisdom as you consider how best to serve Him.

We look forward to celebrating together on March 2nd!

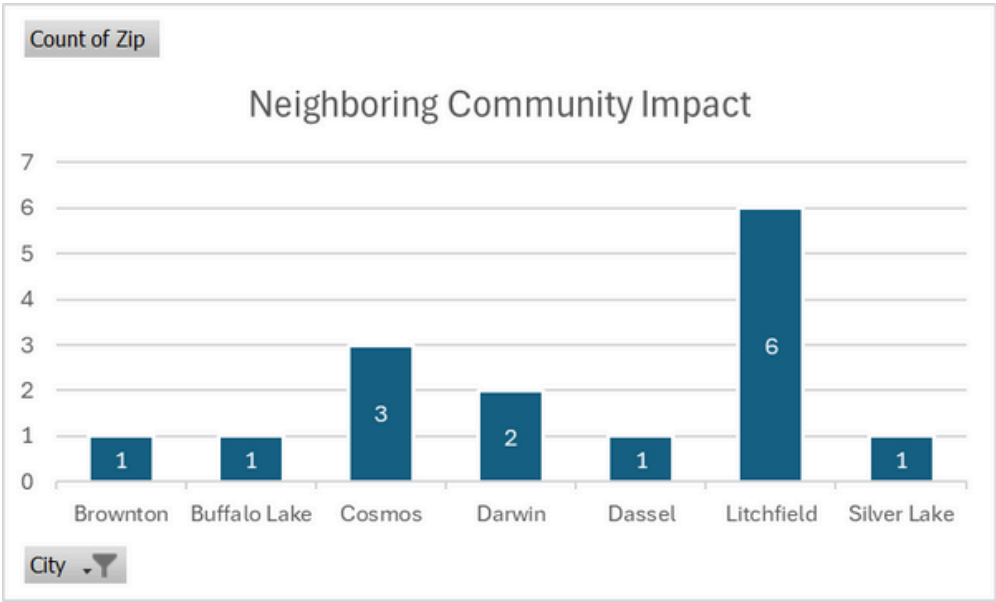

### The Growing Impact of Immanuel Grace Lutheran School

At Immanuel Grace Lutheran School, our mission goes beyond academics—we are dedicated to nurturing faith, shaping character, and sharing the love of Christ with every student who walks through our doors. Over the past few years, we have witnessed incredible ways in which God is working through our school, touching lives in profound and lasting ways.

One of the most joyful blessings has been seeing some of our students take the life-changing step of baptism. The faith nurtured in our classrooms and chapel services has led them to publicly commit their lives to Christ, a testament to the power of God's Word at work in their hearts.

Our ministry has also extended far beyond Hutchinson, reaching families in surrounding towns who are seeking a Christ-centered education for their children. As our enrollment grows, so does our opportunity to share God’s love with more communities, strengthening faith and connections in ways we never imagined.

Perhaps one of the most impactful aspects of our school is the 19 families we serve who do not have a home church. For these children, Immanuel Grace is their daily place of worship, where they hear the Gospel, learn about Jesus, and grow in faith—something they may not have otherwise experienced. The seeds being planted here have the power to transform not only the lives of our students but also their families for generations to come.

We are humbled and grateful to be part of this incredible ministry, and we thank our families, supporters, and congregations for making it all possible. God is moving in mighty ways at Immanuel Grace, and we can’t wait to see how He continues to use our school to bring more children and families closer to Him.

**Blessing Update:**

Thanks to the generosity of several families in our congregation, our fundraising effort is off to a strong start! These devoted believers have already committed \$485,000 toward our goal.
